

NTG Boards and Committees

Register your interest – Northern Territory Government board member

- Northern Territory Government (NTG) boards and committees play an important role in good governance by providing independent and expert governance or advice. They provide an effective link between government and the community.
- Appointments to NTG boards and committees are approved by either the Minister responsible for the relevant legislation or the Administrator of the Northern Territory. Legislation outlines any specialist qualifications or knowledge required of members. A range of NTG statutory boards and committees can be viewed at <https://dcm.nt.gov.au/supporting-government/boards-and-committees/remuneration-of-government-boards>.
- To register your interest in serving on an NTG Board, **complete the online registration form and upload it, along with your Curriculum Vitae (CV)** and any other relevant documents such as current working visas.
- A profile will be created for you on the EOI Boards Register. As vacancies arise, NTG agencies can search the EOI Register for potential candidates.
- Submitting your EOI registration form does not guarantee appointment to a board, but it does indicate your agreement for your CV to be accessible by all NTG agencies.
- Public Sector employees are required under the Code of Conduct to seek their Chief Executive Officer's approval in writing before engaging in paid employment outside the employee's normal duties, which must be renewed annually. This includes those appointed to an NTG Board as a member of the Northern Territory community.
- For further information, please email boardremuneration@nt.gov.au.
