REMUNERATION TRIBUNAL**

**REPORT ON THE ENTITLEMENTS OF
ASSEMBLY MEMBERS**

AND

DETERMINATION No. 1 of 2009

REMUNERATION TRIBUNAL REPORT ON THE ENTITLEMENTS OF ASSEMBLY MEMBERS AND DETERMINATION NO. 1 OF 2009

Introduction

1. On 6 September 2006 the Administrator issued a request under section 4(1) of the *Assembly Members and Statutory Officers (Remuneration and Other Entitlements) Act* (the Act) requiring the Tribunal to, on or before 31 October each year, inquire into and determine the entitlements (other than basic salary) of members.
2. The resultant report and Determination must be tabled in the Assembly within six sitting days of receipt by the Minister. The Assembly may disallow all or part of the Determination within 10 sitting days of tabling.

Powers of the Tribunal

3. The powers of the Tribunal have been considerably expanded since the last Determination and are set out in sections 4(1A) and 4(1B) of the Act which read:
 - (1A) *In addition, the Tribunal must, on the Administrator's request, inquire into, or inquire into and determine, an entitlement for a former member who retires involuntarily as prescribed by regulation.*
 - (1B) *Without limiting subsection (1), the Tribunal may, under the request, inquire into, or inquire into and determine, an additional salary of office and other entitlements, including, for example, the following:*
 - a) *an entitlement for establishing or maintaining offices for an Assembly member, including:*
 - (i) *the provision of staff and equipment for the offices; and*
 - (ii) *the payment or reimbursement of amounts to cover expenses incurred in relation to the offices;*
 - b) *an entitlement for official travel undertaken by:*
 - (i) *an Assembly member; and*
 - (ii) *a person who, under a Determination, may accompany an Assembly member for the travel;*
 - c) *the provision of a motor vehicle to an Assembly member;*
 - d) *an entitlement relating to child care services required because of the performance of official functions by an Assembly member.*

Conduct of this Inquiry

4. Advertisements were placed in the main Territory newspapers to draw attention to the Inquiry and to invite submissions. Individual letters were sent to all members and to the Department of the Legislative Assembly.
5. The Tribunal received four written submissions.
6. The Tribunal had meetings in Darwin during October 2009 with the Chief Minister, the Leader of the Opposition, a number of members and departmental representatives.
7. The Tribunal has in preparing the accompanying Determination consolidated its *Determination No. 1 of 2008* and the administrative arrangements:
 - a) made by the Chief Minister, and tabled in the Legislative Assembly on 21 February 2007; and
 - b) made by the Chief Minister and tabled in the Legislative Assembly on 29 November 2007.
8. The Tribunal has carefully considered all representations and advice it has received.

Electorate Allowance

9. An electorate allowance has previously been determined as payable to each member following assessment of the costs of servicing their constituents. It has been defined as follows:

'Electorate Allowance' means the allowance payable to a member to cover the cost of goods and services required to effectively represent the Parliament to his/her constituents and to represent those constituents to the Government and in the Parliament, including the cost of scheduled and charter transport additional to travel entitlements in this Determination.
10. In its last Determination, the Tribunal indicated it would review the allowance for all electorates and it expected that members would make submissions based on actual expenditure. No submissions were made specifically on this subject and all electorate allowances have been increased by 1.5% based on the Consumer Price Increase from 1 July 2008 to 30 June 2009.

Additional Salary of Office

11. The base salary remuneration of members has been set by legislation since 1991 as \$3,000 less than the annual rate of salary for a member of the House of Representatives. At the time of preparing this report and Determination, legislation was passed by the Assembly to remove that nexus and align increases to members' basic salary with increases in Northern Territory Public Service salaries. This legislation is yet to be commenced.
12. In terms of the additional salary of office, the attached Determination provides for a 2.5% increase to additional salary of office for all office holders. This figure is based on the *Northern Territory Public Sector Wages Policy 2009 – 2012* which was recently announced by the Northern Territory Government.

Rates of Travelling Allowance where Commercial Accommodation is used

13. These rates have been increased in accordance with the amount the Australian Government Taxation Office determines as reasonable travel allowance rounded up to the nearest dollar. Rather than a specific figure for overseas travel to any destination, overseas travel allowance should be paid in accordance with *Taxation Determination TD 2009/15* or any subsequent Taxation Determination made in substitution.

Child Care Services

14. Previous determinations have provided for reimbursement of child care costs for office holders and members deputising for office holders. The Act does not discriminate between office holders and members in terms of the child care allowance and the entitlement should therefore be available to both office holders and members. The basis for reimbursement is that it can only be claimed for costs incurred outside the hours of 8am to 6pm Monday to Friday and can only be claimed for care:
 - a) When the Assembly is sitting outside those hours;
 - b) When an office holder is working or attending to an event associated with his or her duties; or
 - c) When a member is attending an event associated with his or her duties as a member.

15. Reimbursement will be made on a claim for reimbursement which sets out the work, event and duration together with actual start and finish times, the amount paid and to whom paid. It is the Tribunal's intention, before the next Determination, to view the amounts paid and if necessary cap the amount available to office holders and members.

Provision of Motor Vehicles

16. Members are entitled to be provided with vehicles that are available through the NT Fleet to Northern Territory Executive Contract Officers Level 4/5. The Speaker may approve four wheel drive vehicles exceeding the standard if the Speaker is satisfied that it is required for operational purposes. The Speaker has indicated that she would prefer the decision for the provision of four wheel drive vehicles be a matter for specific Determination. The Determination provides for four wheel drive vehicles for the members for MacDonnell, Stuart, Daly, Barkly, Arnhem, Arafura, Nhulunbuy, Nelson, Katherine and the member for Goyder. The four wheel drive entitlement for the member for Goyder will only continue until the proroguing or dissolving of the present Parliament. This electorate has been considerably reduced in size from 23,885 square kilometres to 615 square kilometres and the Tribunal considers there is not sufficient justification for such a vehicle and the continued provision of a four wheel drive for the member for this electorate should not continue indefinitely. In this electorate an all wheel drive vehicles would be sufficient to meet good safety standards for driving on formed dirt roads and such vehicles are available as they come within the NT Fleet Executive Contract Officers Level 4/5 entitlement.
17. Where a member can demonstrate a need for a four wheel drive vehicle for a specific purpose related to his or her work as a member, then the Clerk can approve the hiring of a four wheel drive for that specific purpose. The determination includes a list of approved accessories.

Telephones

18. Mobile phones vary considerably in their features and it would be difficult to specify a particular standard of mobile phone to which a member should be entitled. The Tribunal has put a \$1000 cap on the value of phones purchased for the member and a further cap of \$720 on data mode usage. Satellite phones are available for the members for the electorates of Arafura, Arnhem, Barkly, Daly, Katherine, MacDonnell, Nhulunbuy and Stuart.

Professional Development

19. Members are entitled to one overseas trip after two years of parliamentary service to undertake studies and investigations relating to his or her services as a member. In addition, members are entitled to an annual trip within Australia, except in a year where the overseas trip has been taken, for the purposes as set out in Clause 3.1. The cost of an overseas trip is calculated at \$32 700 and the cost of a trip within Australia is calculated at \$12 000. A member may prefer to attend a professional development course at such institutions as the Mt Eliza Executive Education or the Australian & New Zealand School of Government and the member may forgo the overseas trip or trips within Australia to attend such a course, provided that the total cost does not exceed the cost of the trip or trips forgone.

Travel costs met by other Entities

20. Clause 6.9 provides that a member is not entitled to receive travel cost allowance or travelling allowance if the costs are met or provided by another entity. In explanation of this and as examples a member would be required to repay the amount for dinner if the member was a guest for dinner at a State Government function or a dinner was provided at a conference attended by the member.

Trips within Australia

21. The Determination now provides members undertaking such trips must report to the Speaker on the trip. Such trips are provided to members in performing services as a member and reporting ensures the transparency of the entitlement.

Council of Territory Cooperation

22. Schedule 2 of the Determination provides additional salary of office for the Chairperson of the Council of Territory Co-Operation. It has been put to the Tribunal that members of the Council also be remunerated. Members, other than the Chairperson, of other committees do not receive additional remuneration and the Tribunal would be reluctant to determine remuneration for members of this committee until such time as there has been a demonstrated workload that would justify additional payment. The Tribunal could conduct a specific review and issue a Determination prior to the next annual review and determination if this is requested by the Administrator.

General

23. There have been a number of issues raised after close of submissions near the completion of the report and the Tribunal did not have time to consider them adequately to include in the Determination. Those matters will be addressed by the Tribunal before the next Determination.

Dated: 30 October 2009.

3.2 In addition to the entitlement in clause 3.1, a member is entitled to make the following additional trips outside of his/her electorate each year at Government expense:

- (a) for each member in performing services as a member;
 - (i) up to four trips within the Northern Territory; and

MODE OF TRAVEL

- 3.4 Travel within the entitlements in clauses 3.1 and 3.2 must be undertaken either:
- (a) unless the hire car option under clause 3.2(a)(ii) is used, on scheduled commercial/commuter services or other vehicles operating as regular carriers; or
 - (b) at the discretion of the Speaker where regular services within the Northern Territory are not available or impracticable, by charter transport, or by hired aircraft if the member is appropriately qualified and indemnifies the Government; or

Reimbursement of reasonable costs under this subclause will be made where the transport cost is directly associated with the official business of such travel.

- 3.5 For the purposes of clause 3.4(c) the border towns of Marla in South Australia, Camooweal in Queensland, and Kununurra in Western Australia, and the highway into those towns from the Northern Territory border, are part of the Northern Territory and for the purposes of clause 6.6, each is part of the electorate from where the respective highway leaves the Northern Territory.
- 3.6 In the case of use of a private vehicle within the Northern Territory, the member shall be paid vehicle allowance, at current Northern Territory Government rates, to a maximum of the cost of the scheduled service otherwise available. Where more than one member shares the private vehicle, only one member may be paid the vehicle allowance.

CONDITIONS OF TRAVEL

- 3.7 Travel at Government expense shall be the premium cabin class available on the service used.
- 3.8 A member may only convert his or her own premium cabin class air travel within the Northern Territory to economy class travel so as to utilise the savings towards the travel cost of the member's accompanying spouse or nominee/s and/or dependent child or children. A member may only convert his or her own premium cabin class air travel outside the Northern Territory but within Australia to economy class travel so as to utilise the savings towards the travel cost of the member's accompanying spouse or nominee/s and/or dependent child or children, where the member has not made a nomination under clause 3.13.
- 3.9 If a member chooses to travel economy class, provision may be made for the member to have access to the airline club facilities.
- 3.10 The Government may provide, at its expense, transport for a member, spouse, nominee or dependent child travelling and returning by air under entitlements provided by this Determination:
- (a) between the home base and departure airport; and
 - (b) between the terminating airport and destination.
- 3.11 A member when travelling by air to and from Darwin on Assembly business or on official business as an office holder or Shadow Minister shall be entitled at Government expense to carry one additional piece of luggage within the airline size limits.
- 3.12 Air travel under clause 3.2(a)(ii) shall be to an interstate Capital City, or another interstate city, town or place on business associated with his/her services as a member and subject to the following conditions:

- (a) under special circumstances the Speaker may approve the inclusion of additional Capital City destinations in other States or Territory subject to a detailed proposed itinerary;
 - (b) Government arranged transport may be provided at Government expense at the destination.
- 3.13 In respect of any year during which a member has an interstate travel entitlement under clause 3.2(a)(ii), that member may, having made advance nomination to the Speaker, make more than one interstate visit. In such instance the following conditions shall apply:
- (a) the total cost of airfares, including any airfare under clause 3.20, and hire car costs including reimbursement of receipted direct running costs where the commercial hire car option under clause 3.2(a)(ii) is used, to be met by the Government, shall not exceed the cost of two return premium cabin domestic airline fares from Darwin to Melbourne as determined by the Speaker;
 - (b) any balance of unused airfare value will transfer to the next year;
 - (c) there is no entitlement to both interstate travel and overseas travel at Government expense in the same year under clauses 3.2(a)(ii) and 4.1.
- 3.14 Trips taken by a member in a vehicle provided by clause 9 and which are outside the member's electorate and for which no travel cost has been claimed is not a trip for the purposes of clause 3.2(a)(i).
- 3.15 The member shall within 30 days of completing travel within Australia, present to the Speaker a report generally describing the business undertaken by the member, including any changes to the endorsed itinerary, for tabling in the Assembly.

LOCAL TRAVEL

- 3.16 The Government may provide, at its expense, transport for members to and from their electorate, place of residence or accommodation to attend and return from:
- (a) sittings of the Assembly; and
 - (b) Committee meetings at the Assembly; and
 - (c) meetings at the Assembly directly related with business as a Shadow Minister; and
 - (d) official business, subject in such case to the prior approval of the Speaker.

ENTITLEMENT TO TRAVEL BY OTHERS

3.17 A member shall be entitled to have his or her spouse, nominee or dependent child, at the same class as the member where a scheduled carrier is used:

(a) travel at Government expense to and return from official Government, Assembly, or Vice-regal functions, provided that the spouse, nominee or dependent child has also been invited and a copy of that invitation is provided to the Speaker in advance; and

(b) accompany him/her at Government expense on return travel up to four times each year when the member is travelling within the Northern Territory on business associated with his/her services as a member

provided that where the spouse, nominee or dependent child drives a private vehicle for this purpose, and the member travels by air, the Government will meet the expense for using such vehicle, at current Northern Territory Government rates, to a maximum of the cost of the entitlement to travel by air.

3.18 For the purpose of this entitlement 'accompany' means where spouse/nominee/dependent child joins the member for the purpose of the visit whether he/she travels with or does not travel with the member.

3.19 A member whose nominated home base is located outside Darwin shall be entitled to have each dependent child travel at Government expense from the member's nominated home base to Darwin and return up to twice a year.

3.20 A member shall be entitled to have his/her spouse or nominee accompany him/her on return interstate travel once each year at Government expense. For air travel, the spouse or nominee shall be entitled to the same class of travel as the member. For clarification purposes, where on this single occasion a member and his/her accompanying person undertakes air or hire car travel following a nomination under clause 3.8, the downgrading of the premium cabin class air travel entitlement by that accompanying person does not diminish the cost limit established by clause 3.13(a).

3.21 The terms of approval for additional travel under clause 3.2(b)(ii) may include approval for that office holder to be accompanied by his other spouse or nominee.

TRAVEL OVERSEAS

- (i) no part of this entitlement may be used for any other purpose.
